

NVQ Plumbing and Heating Diploma - R170

The level 2 NVQ qualification is the next step for anybody with the level 2 diploma qualification who is working on site with a plumber. The course is designed to boost your qualification from a plumber's mate to an industry recognised plumber.

COURSE DETAILS

The NVQ course is designed for students who already have a level 2 diploma in plumbing and heating, this course will allow them to gain industry recognised qualifications by certifying them with a Level 2 NVQ in Plumbing and Heating.

ENTRY GUIDELINES

To study a Level 2 qualification, you will need:

A minimum of 4 GCSEs at grade 3, including English and Maths (or L1 Functional Skills in English and Maths)

OR

A relevant Level 1 qualification with GCSE English and Maths at grade 3 or above (or L1 Functional Skills in English and Maths)

Satisfactory interview and/or assessment

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

ASSESSMENT METHOD

The course requires students to complete one exam on environmental awareness - this must take place in the College. All revision materials will be provided. There will then be a minimum of 6 onsite visits by our assessor who will help with the completion of your on-site portfolio.
